V.F.W. Mission Statement

The purpose of this corporation (VFW) shall be fraternal, patriotic, historical, charitable, and educational; to preserve and strengthen comradeship among its members; to assist worthy comrades; to perpetuate the memory and history of our dead, and to assist their widows and orphans; to maintain true allegiance to the Government of the United States of America, and fidelity to its institutions of American freedom, and to preserve and defend the United States from all her enemies, whomsoever.

Commander's Corner

Welcome to August, the 8th month of the year and usually one of the hottest of the twelve. We had to close on a couple days in July due to the lack of bar tending staff, hopefully we have this under control at this point, however the way our VFW Post 604 is organized with an all-volunteer force, we may be forced from time to time to close due to lack of personnel both on the gaming and bartender side of the house. Please be patient with us and keep your eye on the VFW face book page for updates.

The Monroe County Veterans Honor Guard is looking for more volunteers to assist with funerals for or veterans, if interested in more information please contact me for more information, my contact info is below.

VFW Post 604 is responsible for the Veteran's Columbarium at Valhalla Memory Gardens in Bloomington, this is where a veteran's ashes may be placed at minimal cost to the veteran's family. If interested in more information about the details of a columbarium niche, please contact Dale Blubaugh or Brad Mobley for more details.

The Post meal for August 7th will be Pulled Pork and French fries for \$10, As for August 21st, the comeback of our Smoked Pork Chop, with Cheesy Potato Casserole, and Crock Pot Green Beans for only \$10. Come out and support your VFW Post 604 and enjoy some delicious very affordable Dinners. Our Monday lunch specials remain with the \$3 - ¼ pound hotdog and the ever popular Smoked Pork Chop Sandwich for \$5.

Have a GREAT month, Commander out... ❖

VFW Auxiliary

Hello to all. Summer for the kids is coming to end, but as any Hoosier knows – that does NOT mean the end of summer and hot weather. Stay safe in all this heat.

The National Home trip is at the end of September- please see the information at the end of the newsletter. Chelle and I are going again and would love for anyone to join us. We do have a woman who is potentially looking for a roommate for the trip, so please let me know if that extra woman might be you!

I was unable to attend the June convention for personal reasons, but got an email the next day with all the awards that our Auxiliary received for the year. I've posted the list on Facebook. It was quite impressive! I'll be picking them up on August 9th at our next district meeting. It's in Martinsville for anyone wishing to join us! Our annual district School of Instruction will be September 13th from 2-4p in Martinsville for anyone wishing to attend. If you'd like to get more involved, this is a great opportunity to learn more-and it's generally a fun time.

Please see the end of this email about information on Gerry Kisters. There will be a ceremony honoring him on August 24th at 4pm at Monroe County Airport - AKA Gerry Kisters Field. He was the first WWII vet to receive the Distinguished Service Medal and The Medal of Honor- in addition to receiving the Purple Heart. I am unable to attend the ceremony, but it would be wonderful if the VFW were represented.

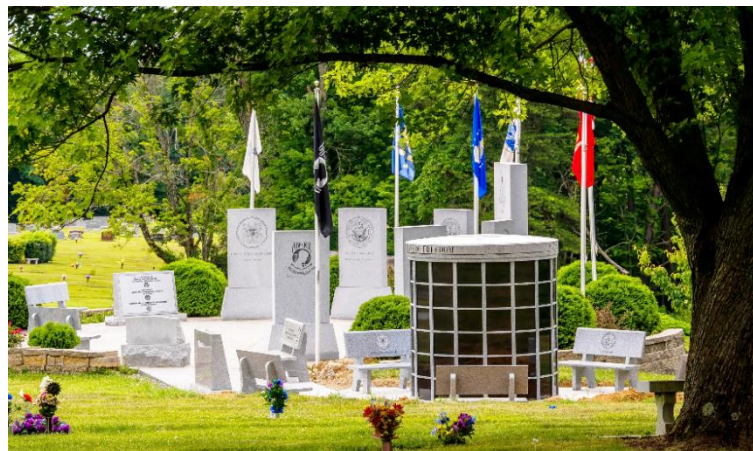

Still no word yet on things that are being collected for District committees, but I'll keep you posted- and leave a box in the entryway to the Post.

On November 10th, the Marine Corps birthday, our

Quartermaster's Corner

As students return to Bloomington for the new school year, VFW Post 604 is excited to welcome them back to our community — especially the dedicated cadets of Indiana University's ROTC program. These young men and women balance rigorous academics with military training, and they're even stepping up to support Post 604 directly by volunteering during our Friday night dinners. We truly appreciate their hard work around the Post and look forward to standing behind these future leaders all semester long.

The start of the school year also means one big thing: Hoosier Football **is back!** Whether you're heading to Memorial Stadium or looking for a great spot to watch the games, Post 604 is your home base for fall matchups. Stop by the canteen for cold drinks, great food, and camaraderie with fellow veterans, family, and friends as we cheer on the Hoosier's team all season long.

Auxiliary.....Continued from Page 1

Auxiliary is again doing a "Meet and Greet" at the VA Clinic in Bloomington. It will run from 8am-2pm. We are looking for volunteers to man the tables for 1-2 hrs that day. We'd like to have at least 2 at a time. Please contact Jenny Tracy at 812-320-3871 to set up your time frame.

Last week, Kathy Norris and I delivered 60 shelf stable meals to Wheeler Mission. They serve about 150 meals a day for our housing challenged population, which does include several of our veterans.

Meals for August will be August 14th - lasagna for \$10 and August 28th - breaded or grilled pork tenderloin sandwiches for \$10. Please come join us and bring family and friends!

Drawing on July 21st for \$97.50 was Sandi Taylor-NS/NP.

If you or a loved one is sick, I wish you health. If you have lost a loved one, I wish you peace and comfort...❖

Gerry Kisters Historical Mark ; David Nord Monroe County Historian – appointment by the Indiana Historical Society, is working on program.

Honoring Gerry Kisters, who was the first American soldier in World War II to receive both the Medal of Honor and the Distinguished Service Cross. The marker is complete and delivered. It will be erected at the Monroe County Airport – 972 Airport Road, which was named Kisters Field in 1944.

SAVE THE DATE: AUGUST 24 – 4PM ET Dedication Ceremony

Kisters was born on March 2, 1919 in Salt Lake City, Utah, to a family that had worked in the fur trade for generations; his family moved to Bloomington, Indiana, in 1937, where his father opened a fur shop. Kisters worked for his father and then opened his own fur shop in Vincennes, Indiana, operating it for several years before he was drafted in January 1941. He was assigned to a reconnaissance unit training at Fort Bliss, Texas.

By 1942 Kisters' unit, formerly attached to the 1st Cavalry, had become an independent unit, the 91st Cavalry Reconnaissance Squadron. At the end of 1942 they were sent to Casablanca to join the Tunisian campaign. On May 7, 1943, Kisters, now a staff sergeant, surprised and killed the crew of a German 88 mm artillery gun, earning a Distinguished Service Cross.

By July 31, 1943, Kisters' unit was attached to the 2nd Armored Division, then involved in the Allied invasion of Sicily. On that day, near Gagliano, Sicily, he and an officer captured an enemy machine gun position. Kisters then went forward alone and, although wounded in both legs and his right arm on his approach, single-handedly captured a second machine gun emplacement. He was subsequently promoted to second lieutenant and, on February 18, 1944, was awarded his Distinguished Service Cross and the Medal of Honor. He was the first American soldier to be awarded both during World War II. He was featured in war bond drives, and the Monroe County Airport was named Kisters Field in his honor.

Kisters was sent back to the U.S. and spent months recovering from his injuries. After his recovery he taught reconnaissance at Fort Riley in Kansas and reached the rank of first lieutenant. After the war he reopened his fur shop and became a successful businessman.

He died on May 11, 1986 at age 67 and was buried at Rose Hill Cemetery in Bloomington, Indiana.
